## EAST NEW YORK, TENN. FIRST, MICH. S.W. : BIG THREE

The Delegation of the General Assembly of the Church of God in Christ responded with thunderous applause when the gigantic reports of New York - East Tennessee - First, and Michigan S. W. were read by the financial secretary. These were the three highest reports made to the National Headquarters in Memphis, Tennessee by any Jurisdiction in the Church of God in Christ.

These reports represent for many a financial program that will at last start the Church toward the kind of financial level they are capable of. So far this has been the most successful attempt of the administration to raise funds to carry on the work of the National Church. New York, Tennessee & Michigan were by no means the only Jurisdiction to make outstanding reports. Louisiana, Illinois, Michigan N. E., and Ohio, Mississippi, Florida and California were also outstanding. Elder Burnett, the Financial Secretary of the Church of God in Christ sends the following special letter and financial report.

"Therefore seeing we have this ministry, as we have received mercy, we forget not; . . . II Corinthians 4:1."

The church appreciates and extends her warmest thanks to all who by the Grace of God supported the current financial program.

Loyal ministers like yourself and wonderful missionaries who love the church, help make our financial program successful. However, we realize there were some ministers and missionaries who were not able to make their report in full, but certainly don't want the fiscal financial report to be published after September 30th without their names being listed as having paid the full amount; thereby making them eligible for the 1973-74 I.D. card from the National Headquarters that would mean so much to our ministers, especially when they attend the General Assembly and travel.

I. D. cards are being mailed to every individual who made a full report. Should your report fall short, we emphatically urge you to immediately forward your certified check or money order to the National Finance Office with all checks payable to - Church of God in Christ - General Funds. It would not be wise to wait until November, for our fiscal year ends September 30th.

The printed financial report will carry your name and be ready for distribution by Thursday, November 7, 1974.

We need your support. Why not send us a check today and be counted. Said check will be credited to the current report of your jurisdiction.

The following financial summary covers all monies reported by jurisdictions during or following the April '74 meeting.

## EDITORIAL ON THE INTERNATIONAL YOUTH CONGRESS

Before expressing my opinions of the second largest convention of the Church of God in Christ, I probably should make sure it is understood what the editorial page includes. And that is simply this, the Editorial page is that area of the paper that expresses the view and opinions or a specially selected material of the editor. It does not necessarily represent the staff, Publishing House, or Church denomination. In other words, I would like to be certain that it is understood that this Editorial and the ones in the future only represent the conviction of the Editor, unless other wise indicated.

In my opinion no one on earth can truly measure the success of a convention of this magnitude that has spiritual goals.

Only God really knows what the spiritual success of this kind of convention was. However, there are a few things that can be measured. First of all, the basic public opinion of a congress of this nature seems to contagiously touch upon every delegate. And secondly, the Administrative harmony and contentment is unconcealable to the average on looker. And I can say with much pleasure that the past International Youth Congress seemed to rate extraordinarily high on both counts. The over-all level of public criticism seemed to be zero. Many if not most of the delegates enjoyed what they felt was a rich rewarding experience. The morning prayer and devotion under the direction of the Evangelist E. C. Taylor was a Holy-Ghost revival. All training and instruction department functions were at a high level. Almost every hour some soul reaching event was taking place. What I appreciate most about the I. Y. C. was the program for Teenagers and pre-Teens taking place. Instead of this age group roaming the city streets because there was nothing to do, they have special worship services, talent hours etc., on most of the day. The worship services at night were marvelously evangelistic. I estimate that nearly, if not more, one thousand youth came to the altar to be saved and spiritually renewed.

Also, the administrative staff and officials conveyed a beautiful working relationship. If there was any division it was certainly not evident. Every morning Bishop James met with his official staff before letting them get about their different assignments. The few I've talked

with seem very pleased with his administrative ability. These are just two of the many good things that made this convention a great one.

The only day in the Congress that deserved a much greater response than it got was the Official Day. At the beginning of the worship services, the crowd was so few compared to the rest of the congress I was afraid that most of the delegates must not have been informed when or where the Official Day was going to be. Later on in the services, the crowd grew larger but still I felt Bishop James deserved a much better audience. I listened to many of his concerned constituents suggest different reasons for the crowds' gathering so late. However, I feel the day was simply not publicized enough during the week. Except for this, I feel this Congress was an exceptional one.

directing the Department of Missions has asked all official personnel of the department to make preparations as in previous conferences for the smooth-running of the meeting.

Emphasis will be placed on the foreign work, utilizing the various foreign missionaries and representatives from other lands who are present.

Bishop R. L. Ford will entertain the conference with the joint participation of other jurisdictions of Illinois, Wisconsin, Indiana and Iowa.

There will be 150 rooms held at the Conrad Hilton, ranging from \$19 singles to \$32 rooms for four persons (approximate prices.) The cheaper YMCA, for men and women, is just across the street. It would be advisable to contact Rev. Moody as soon as possible for reservations.

Many people have been wondering how to best direct their missionary offerings. Some have chosen to send directly to our missionaries and foreign workers while others wish to use the channels of the church.

The new Department of Missions is aiming at a more efficient and effective program. While the Missions operation is being centered at the national headquarters in Memphis, Tennessee, Mrs. Deborah Mason

ANSWERS  
TO  
YOUR QUESTIONS  
by  
Bishop J. O. Patterson  
Presiding Bishop of C.O.G.I.C.

Dear Bishop Patterson,

*I am a Pastor of a relatively small congregation. A few years ago a young man joined my church, he got saved during my ministry, he expressed to me that he had a strong desire to preach and felt God called him. Naturally I did encourage his ministry.*

*I made him my platform chairman. About a year ago he decided to start a church across the street from mine. He walked off with 18 of my members. Is there any kind of protection a minister has in the church constitution from men like this?*

Signed,  
L. James, Mississippi

Dear L. James:

I think you were very Godly to encourage and support the ministry of this young man. Unfortunately there is no constitutional protection, to my knowledge, a Pastor has against such behaviour. There is however a moral code of ethics a minister must subscribe to if he is to have God's approval. It would seem to me that this minister is more concerned about your failure than his success. The Bible says "Let nothing be done through strife or vainglory. . ."

Dear Presiding Bishop,

*I have been wondering what is the actual difference in a woman preacher and a man preacher other than the sex. Please realize I do like it the way we have it but, I have trouble defending why we have it the way it is.*

Signed,  
Sister Ray -Michigan

Dear Sister Ray:

Let me begin answering your question by asking one. Since you mentioned "Woman preacher and man preacher." What is the difference between a woman father and a man father? They both are parents, but God gave each their distinct title. Jesus commissioned only men to preach the Gospel. Paul did say "help those women who labor with me in the Gospel." The stewardess labors with the pilot of a plane, so does the navigator but they are not pilots. I think our big mistake is defining preaching by voice and tune.

Dear Bishop

*How much voice does the lay member have in a policy making of his local church? Is the Pastor the absolute authority or final authority?*

Signed  
Elder Lee, Georgia

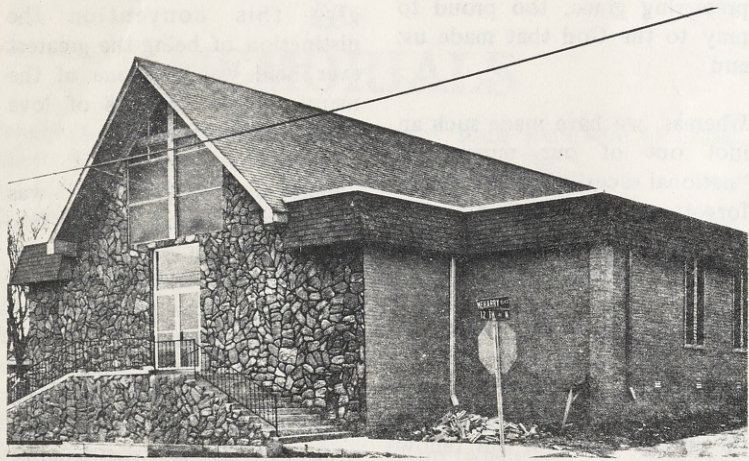

Dear Elder Lee:

You used two very important words, "voice" and "authority." The Pastor's conduct, business ability, knowledge of the Bible and respect should be of such with his congregation, that he could say, "My Sheep know my voice and a stranger they will not follow." NO, the pastor is not the final authority in all matters. Members have rights that should be respected, so does the Pastor. We have empty churches because of the dictatorial policy of some Pastors. Love is a stronger force than authority.

Patterson, wife of our current Presiding Bishop and daughter of our late founder Bishop C. H. Mason, is serving as interim secretary and treasurer to receipt contributions and to forward earmarked monies to the

missionaries and fields for whom they have been designated. Diligent attention is being given to developing better understanding and confidence in the general operation of the department and its funds.

## TENNESSEE 2ND JURISDICTION WORSHIPS IN NEW STATE TEMPLE

Tennessee second Jurisdiction held its first Official workers' Meeting in the New State Temple that was dedicated in March by the Presiding Bishop Patterson. The Workers' Meeting was held April 23-28, 1974 located at 12th Avenue North at Maharry Blvd. Nashville, Tenn.

The New Building seats approximately seven hundred (700) people with adequate parking. Appraisal value of the property is \$280,000.00. Elder W.L. Porter who serves as the Executive Director of the National Public Relations Department of the Church of God In Christ serves also as second Administrator to Bishop King, worked untiringly serving as the Superintendent of building this beautiful spacious State Temple. He was instrumental in making all the financial arrangements.

Womens' day was a great day. It was one of the greatest ever held with the state Supervisor in charge, Mother Fannie Page. Gods' anointing was great as ever upon this woman of God as she expounded the word of God taken from Hebrew 12th chapter. Her theme was: THE MEN OF FAITH WATCHING US FROM THE GRAND STAND. God manifested his doings in the midst of this great

message.

The demonstration of needle work was on display with its beauty shining through from the handwork of Godly women. The highlight of this day was a banquet given in honor of State Supervisor Mother Page by the State Hospitality Band. The saintly women were beautiful in their National colors, Black dresses with yellow corsages.

Appointments were made by the State Bishop Audley King. Elder Harold Bell was appointed as State Secretary. Eld. D.L. Derrison Second Administrator, Elder J.E. Poindexter remains as First Administrator Asst. Elder W.L. Porter was promoted to Executive Assistant to the Bishop.

God has truly blessed the Second Jurisdiction of Tennessee.

## STATES SEEK LEGISLATION REQUIRING CREATION STORY TAUGHT

To the happy surprise of many christians, many states including Michigan, Ohio, Kentucky, Tennessee, Georgia, Wisconsin and California are pursuing laws that will not prevent the teaching of the Bible in school anymore. Most states are specifically concerned that the creation story be taught whenever evolution is taught in public schools. Many areas are already teaching the creation story in conjunction with evolution inspite of some state and national laws. Most christians are quite disillusioned with the school system. Parents are accusing the University of destroying the christian faith of their children. They no longer are standing still however.

The Bible-Science Association in Idaho is sponsoring a National Creation Convention in Milwaukee August 18-21 to seek and investigate ways to expand teaching of science which supports creationist thought in secondary and college level institutions. New information on recent discoveries in the field of science, oceanography, space, biology will be given by more than twenty scientist. The Convention is open to all levels of the christian religion. It is hoped that this kind of effort will encourage more states to take an aggressive role in the fight to save christianity within the school system.

MAKE THAT CHANGE!

school year. Elder Haney not only brings the recruitment expertise to Mason Seminary, but he is also a Public Relations Specialist.

Elder Haney is married to the former LaVerne Johnson of Little Rock, Arkansas.

At the Board of Education's annual breakfast at the April spring call meeting, Elder Haney was the principal speaker.

During his address he said, "I feel that I have been chosen to become a part of a team whose primary purpose is to further the Kingdom of God on earth-through the Church of God in Christ. Thus, I humbly pledge my support to the Church, and to its educational ministry. I also ask for your prayers, understanding and support-for together, I am confident that we can develop a Seminary of which the Church of God in Christ can be proud."

As the 2nd semester of the C.H. Mason Bible Colleges, Southern Jurisdiction, terminates, which was May 11, 1974; we were highly honored to have Dr. A.J. Hines, Executive Director, to make an educational tour of the Four branches; Jackson (main branch) Natches, Hattiesburg, and Biloxi Mississippi.

Each session was very informative and inspiring. He commended the President, Dean, and teachers for a superb job well done. Dr. Hines made statements concerning the continuation of the college by recruiting Freshman for the fall registration. He stated that the college will be open for tenth, eleventh, and twelfth grade students this fall. Also he outlined the curriculum for September.

At each session, the teachers, students, and other interested persons gave Dr. Hines a standing ovation for his services rendered. Dr. Hines was the Principal speaker in the No. 3 district meeting, Thursday night, Superintendent Reubin McSwain, presided. As he delivered the message, the audience was moved by the unquestionable power of God.

There are approximately one hundred students enrolled in the following branches; Jackson (34), Hattiesburg (22), Biloxi (16), and Natches (20). There are fifteen teachers who has a Bachelor or higher degree in their major areas.

## ARTICLE REVIEW

## WHAT MAKES THE CHURCH GROW

In a recent issue of Eternity Magazine an associate professor at Fuller Theological Seminary presents seven important reasons he feels contribute most to growing churches. C. Peter Wagner makes a good study as to what makes conservative, evangelical churches grow. The article first shows how different opinions are as to the cause of church growth. W. A. Criswell, for example credits expository preaching as the major factor in his church growing to 18,000 members. The Pastor of the famous Drive-In Church credits his 6,500 members to "topical preaching" and "possibility thinking." A minister in Florida says house-to-house visitation was his most effective means for church growth. But Stephen Alford tried in New York to no avail. Instead he found television to be his most effective means. There is no one way to make a church grow. Some suggest a bus ministry to be the best approach. And then some say when they sold their buses their church grew.

Professor Wagner seems to be especially sensitive to that prevailing question that echoes throughout Christendom. "What can we do to make our church grow?" The indispensable condition therefore for a growing church is that it must want to grow. The majority of churches today are not growing because they don't really want to. Some Christians would feel uncomfortable if their church started getting bigger. It makes some Christian leaders feel insecure. Wagner admits however, beyond this first pre-requisite the situation is

complex. He therefore suggests seven common denominators of church growth.

First of all the Pastor heads the first of all factors. Nothing can be more important than a dynamic leader whom God is using to make a great thing happen. This does not mean the Pastor does all the work himself, but he does make the most significant contribution. Professor Wagner feels the most

important contribution the Pastor can make to a growing church is to set the style. The Pastor must be a "possibility thinker."

Wagner says "I have heard people snicker at this idea, but I have discovered no growing church in America led by an impossibility thinker."

The second common denominator Wagner has

## ARMY GENERALS FORM PRAYER BAND IN PENTAGON

It was reported in a recent issue of Christian Life Magazine that prayer has entered the Pentagon. More than a dozen Admirals and Generals along with other leading Chiefs of staff meet at least twice a month in the Secretary's of the Army's private dining room at the Pentagon for coffee, doughnuts and ninety minutes of Bible Study.

This prayer fever however is not only at the Pentagon. A former high Ranking Nixon official and five other Washington executives meet in a home for prayer and discussion. This new attitude toward prayer breakfasts, Bible study seminars and religious groups is starting to draw officials from the highest levels of Government. Its very possible this religious concern was generated by Mr. Hatfield.

On December 20, 1973, Senator Hatfield from Oregon presented to the U.S. Senate a joint resolution to proclaim April 30, 1974 as a National Day for Humiliation, fasting, and prayer. The joint resolution with its preamble was as follows:

Whereas, it is the duty of nations, as well as men to owe their dependence upon the

overruling power of God, to confess their sins and transgressions, in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon, and to recognize the sublime truth, announced in the Holy Scriptures and proven by all history, that those nations are blessed whose God is the Lord; and

Whereas, we know that we have been the recipients of the choicest bounties of Heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth and power as no other nation has ever grown; but we have forgotten God; and

WHEREAS, WE HAVE FORGOTTEN THE GRACIOUS HAND WHICH PRESERVED US IN PEACE, AND MULTIPLIED AND ENRICHED US; AND WE HAVE VAINLY IMAGINED, IN THE DECEITFULNESS OF OUR HEARTS, THAT ALL THESE BLESSINGS WERE PRODUCED BY SOME SUPERIOR WISDOM AND VIRTUE OF OUR OWN; AND

Whereas, intoxicated with

unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us; and

Whereas, we have made such an idol out of our pursuit of "national security" that we have forgotten that only God can be the ultimate guardian of our true livelihood and safety; and

Whereas, we have failed to respond, personally and collectively, with sacrifice and uncompromised commitment to the unmet needs of our fellow man, both at home and abroad; as a people, we have become so absorbed with the selfish pursuits of pleasure and profit that we have blinded ourselves to God's standard of justice and righteousness for this society; and

Whereas, it therefore behooves us to humble ourselves before Almighty God, to confess our national sins, and to pray for clemency and forgiveness: Now, therefore be it Resolved by the Senate and House of Representatives of the United States of America in Congress Assembled, that the Congress hereby proclaims that April 30, 1974 be a National Day of Humiliation, Fasting and Prayer; and calls upon the people of our nation to humble ourselves as we see fit, before our Creator to acknowledge our final dependence upon Him and to repent of our national sins.

Mr. Hatfield Mr. President, I thank the distinguished majority leader, the distinguished acting minority leader, and the Senator from Maryland.

The Presiding Officer. The Senator from Maryland is recognized.

## THE TRUE HOPE PASTOR WHO REFORMS WRONGDOERS

Crime is something everybody talks about, but few do anything about.

Not so Elder Arelious Walker, pastor of True Hope Church of God in Christ at 988 Gilman Ave.

Elder Walker has long been concerned about crime in his Bayview community. In 1972 he issued a leaflet entitled, "What's Happening in Our Black Neighborhoods."

The pamphlet, printed at the minister's own expense, appealed to the community to close ranks against burglars, robbers, muggers, pimps, dope addicts, and pushers who have made it unsafe either to walk, or park a car on the streets.

With contributions from his church and 18 businesses in the area, Elder Walker has printed and circulated thousands of pamphlets over the past two years.

Now he has gone beyond pamphleteering into direct confrontation. He wants to reform the wrongdoers.

Every service at True Hope Church of God in Christ is an invocation to people who have strayed from the straight and narrow to "surrender to Christ."

In addition, Elder Walker visits housing projects, and street corners-wherever hard core prostitutes, pimps, alcoholics and dope addicts will listen, to counsel and preach to them. He also broadcasts every Sunday over KEST at 9:30 a.m.

He is also chaplain at San Bruno jail, and, until a recent administrative change, conducted regular worship services for the inmates as well as engaging in individual

ELDER ARELIUS WALKER

counseling and leading a letter-writing project on behalf of the inmates carried out by his congregation.

Elder Walker is convinced of the power of religion to save people from lives of crime and vice.

But first, he says, the churches must reform.

"Not only black churches but white churches have, and are, failing spiritually. Many white kids are turning to eastern religions. They have rejected Western Christianity. . . Many black churches are only concerned with fine church buildings, furniture and choir robes.

"Too many ministers are concerned with money, fine clothes, cars and beautiful homes. Some of them feel they are too clean and wouldn't think of going to places like Hunters Point and the Alice Griffith Projects to circulate among the hard-core people."

Elder Walker would like to see the entire ministry of his community pledged to getting wrongdoers "to accept Christ as

their personal savior not to join a church, accept a doctrine or be baptized, but to be spiritually, physically, and socially rescued and delivered."

He thinks ministers should train members of their congregations as lay ministers and send them into the community to work with the misguided.

## PERSONALITY

By  
F.H. BLANCHARD

What is personality? Many may differ somewhat as to its meaning. It has been described as an organized system of behavior, attitudes, and values that cause an individual to behave in a particular manner as he functions in his environment. It has also been defined as a social stimulus value, as a combination of factors, as the way one perceives oneself, as an integration of identities, and simply behavior.

One person, when referring to another, may say He has personality. The meaning is not always clear but it is considered a compliment. He has charm, good manners, verbal faculty, and attractiveness.

Is personality important? Yes, To most people it is one of the most important qualities one can possess. It is that dynamic magnet that causes some individuals to draw to them, without effort, most people in whom they come in contact. Without it a person may have beauty, education and many other desired qualities in life, but somehow there is a vacancy, a void, and a vacuum in his life that no one seems to be interested in penetrating.

Most psychologists believe that since the mother spends more time with the small child, she has the best opportunity to influence the child's personality

and subsequent behavior. Though most mothers agree upon what makes a "good" child, they tend to disagree on how to raise one.

If parents are responsive, consistent and understanding then the child will probably develop a healthy and confident self-image that leads to a well adjusted personality. If the child learns from his parents that he is an individual and an important part of the family; if he is exposed to a secure atmosphere; if he is given the right to make some choices, and allowed to say "no" as well as "yes", he can usually develop the ability to deal with his problems and frustrations. Unfortunately many parents underestimate children's intuition. They can sense when they are not wanted, not respected, and not considered. Children want to be one of the four tires that are used to keep the car in motion and not a spare to be used at some future time.

When did you become what you are today? Chances are that you considered your "youness", the care element of your personality, as having existed more or less intact throughout your life. Most of us see ourselves as travelers on a long journey that takes us through many strange lands and yields many different experiences. Yet at the end of the journey, we see

our identities unchanged. We are still the same individual that we began the trip long ago. This view points out the continuity of personality and suggest that most of the structure of personality is laid down early. Therefore, our early experiences place rather stringent limits on what we can become.

At six a child escapes for long periods of time from parental observation and begins to create his own private world, independent of adults. These are the peer years, the time of development, when he seeks out his own kind. He begins building the social structures and start learning the social roles that are his map through the long journey into adulthood.

Although at six the child cannot solve all of his problems, he should be allowed to give his opinion as to what he thinks would be a logical solution. Seeing oneself incapable of discussing his problems is conducive to frustration and disorganization.

The need for security develops with and is closely related to the need for adequacy. The need to love and be loved, whether a child or an adult, is crucial for a healthy personality.

Psychologist who studies 1000 paintaking, gathered observations of children concluded that psychological growth is not suddenly turned off. It is their opinion that personality is the outcome of the interaction between what a person inherits, his environment and the influence of the cultural patterns that have been handed down to him through the years.

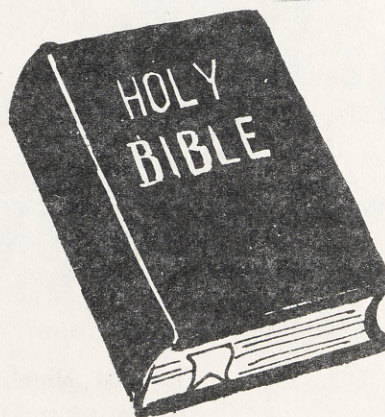

Personality is unique because in no two persons is it exactly the same. They may be the same age, height, weight, and have the same ambitions, desires, and friends. But there is a difference. Each person tends to determine his own personality by what he thinks of himself. Personality penetrates the whole organism. It is the total manifestation of the man "the whole pie" filling and crust.

While most business and

professional persons are well thought of. Doctors seem to stand near the top of the list. It may be because he happens to be the middle man between the person and his undertaker.

To have personality one must get along with others. Let's think about it. Does this mean he must support a candidate because he is the majority's choice? Does this mean he is always passive and never active? Does this mean to be meek he must be weak? Does this mean no matter what happens he is to keep his cool? Does this mean he can not have and express his opinion? Paul said, "reckon ye also yourselves to be dead". Paul also said, "But when Peter was come to Antioch I withstood him to his face cause he was to blame". Gal. 2:11. Can you imagine little Paul, very small in stature, letting Peter who was at least six feet tall know that he did not agree with him? No man who is spineless can expect to be admired for his personality.

Today there are many salons that advertise "Personality Improvement" courses. They assure you that they can make you over by changing your hair style, your posture, as well as letting you know when and how to smile, speak, and use the right gestures. These deal more with the effects of personality as a stimulus on others but does not consider the behavior of the individual. This is like trying to bear fruit of the Spirit without the new birth. Do not misunderstand me one can improve his personality but instead of letting it be an outward demonstration, let it be an inner spark that burns within slowly but steadily until the radiant glow that can be seen by all.

### DIVINE TRUTH TO GOD'S PEOPLE

DETROIT, MICH.

*"But if we walk in the light as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanseth us from all sin."*

Holy Greetings to all the saints everywhere, from the Greater Northwest Church of God in Christ.

When the Prophet Zechariah delivered these words of divine truth to God's people: "Not by might, nor by power, but by my spirit saith the Lord of Host." Being aware that only as a message of hope it would serve the purpose in consoling the church of the prophetic age. Yet it is for reaching fulfillment as set in motion by the Resurrection of our Lord and the out-pouring of the Holy Ghost in the day of "Pentecost," giving His church of this present age the Divine assurance of how we can overcome our problems of this present time.

We the members of Greater Northwest Church of God in Christ, under the leadership of one of the most sincere spiritual leaders of this age is presently experiencing the reality of the true fulfillment of God's Prophecy. Our Shepherd carried us into our Annual Home Mission Revival as a result of the

We are thanking God for our Pastor and his lovely wife who is working right beside our Pastor. They are working until the day is done.

1973 was a banner year for our church-about sixty-five souls were added to the church. Late this fall we, through the leadership of our Pastor, started noon day prayer everyday. The Lord has met us in a great way; backsliders have been reclaimed and sick healed. Many saints who did not have jobs asked our Pastor to pray for them that

### DOUBLE CEREMONY FOR PROMINENT PAIR

A fifteenth (15th) year Wedding Anniversary was in order at the Three Rivers Church of God in Christ in honor of Elder Frank Freeman and wife, Mrs. Clara Freeman.

The couple renewed their vows of marriage devotion in the presence of many well meaning friends and relatives. The Minister officiating in the renewal vows was the Freeman's young son-in-law, Elder Donald Wheelock of Atlanta, Georgia. All five (5) of the couple's children from various parts of the State re-united to celebrate and give thanks for the

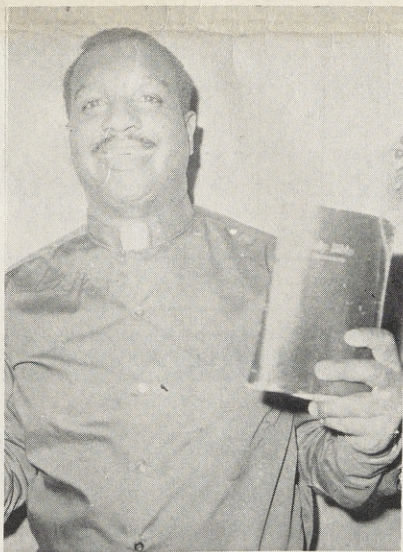

they may get jobs; Everyone that did not have a job at that time now has one. Prayer changes things.

Our Pastor is a young man-but a God sent one with a vision. One of the saints was at home sick and could not go to work, she thought about noon day prayer; She said, she just entered the Temple and the condition left. Sister Ellsworth was supposed to move; She was worried, because of the lack of houses. Our Pastor said he would pray over it and it has been going on two years and she is still there. Thanks be to God. One of our choir member's grandfather who lives about twenty-five miles away in another town, was very sick with cancer. Our pastor had never seen this man, but he prayed for him over the telephone, God stepped in and healed his body. A young lady had a neck problem as the result of an automobile accident. She came one Sunday morning and got in the prayer line. At first, she did not believe; but when God touched her she said she could not explain the way she felt. God is still on the throne.

Our Pastor is trying to make full proof of his ministry doing the work of an evangelist. Please pray for us as we have begun our church (fifty days) fast. Pray for us in our Building Expansion Program.

home-coming event. When services adjourned the crowd gathered in the church's social hall where white and gold ornaments surrounded the atmosphere.

Narrator of the live event of the Freeman's was Mrs. Nelsena Gladney of Three Rivers Methodist Church. Special guests of honor were Supervisor of Mississippi's best, No. Three (3), Mr. Lum Cumbest and wife, Mrs. Mae Cumbest. Mr. Cumbest rendered an outstanding courtesy oration in honor of Elder and Mrs. Freeman. Many gifts of distinction were on display.

The wife, Sister Freeman wore a light blue and navy dress with Navy accessories. Gifts from the children were a white-gold wedding band for Mom with inserted birthstones of each child and a tie pin to match for Dad. After which service re-opened.

Serving his third (3rd) year as leader of the Three Rivers Church of God in Christ and as long time friend and citizen of the Three Rivers Community, Elder Freeman and wife received high regards among friends.

Host Pastor, Elder H. Musgrove, Pastor of the Pascagoula Church of God in Christ. Visiting churches included United Methodist, Three Rivers Escatawpa, Antioch Baptist, Solomon Temple, Moss Point, O. E. H., Full Gospel Pent., Moss Point and many Churches of God in Christ of District nine (9), South Mississippi. Mistress of Ceremony, Missionary Samiskal of the Pascagoula Church of God in Christ. Sons and daughters of the late Sister Vivian Wells were present, each offering service in their own manner.

Minister of Music was assistant Pastor, Minister Otis Anderson. Main speaker bringing the double ceremony message was again Elder Donald Wheelock. He captured the audience with a glorious subject, "Going Up to Jerusalem," his subject carried a threefold definition. He

delivered, first a brief tribute to the Freemans for their loyalty to one another and to the church. Secondly, he gave words of everyday encouragement to the audience, but last he instilled in our memories JESUS CHRIST, who was the head of the ceremony, as he was Going up to Jerusalem.

After the great spiritual feast, the crowd gathered for specially prepared foods in the church's dining area.

### WHAT MAKE CHURCH

Continued from page 4  
discovered is a total involved laity. This does not necessarily mean mobilize 100% of the members for active evangelists work. Wagner feels this kind of total mobilization is unbiblical, since just as the whole body cannot be an eye, every member is not an evangelist. But every Christian should find and do what gifts they do have.

Wagner's third common 2, where the believers came together in the temple (celebration) in fellowship (congregation) and in house to house contact cell. Fifthly it is suggested that churches grow best when they concentrate on only one homogeneous unit. And finally effective evangelistic methods and good organization is his final suggestion for a growing church. I would suggest that you read this article in Eternity Magazine.

Wagner's fourth is prayerful balance of church functions. "NO" church can grow without a healthy balance of three basic functions, celebration, congregation and cell. We see these dynamic elements in Acts denominator is a large enough Church. A large church is more capable of pooling their economic resources and providing personnel for a growing ministry.

JACKSONVILLE, FLA.

Holy Greetings to all the saints everywhere from the Church of God in Christ, No. 4, Elder W. F. Faust, pastor and Superintendent of the Jacksonville District. The Lord is yet blessing us in many ways, whereof we are truly grateful and glad.

Among those who gave words of inspiration under the anointing of the Holy Ghost were Bishop J. E. Williams, he spoke from Esther 4:11 Elder Faust spoke from Exodus 3:3, "The Burning Bush and the Strange Act to get you to see God"; both messages were well received. Bishop Jacob Cohens, was present at our evening service and he gave encouraging remarks.

The Lord is blessing our district to do many things for the sick and needy. Sister Viola Hall, president of the Sewing Circle and district along with her the co-workers did many nice things for the sick and shut-in. The President of the Westside

SOUTH BEND, IND.

Greetings in the name of Jesus, from the Saints of Grace Memorial Church of God in Christ, located 502 S. Warren Street.

We are glad to be able to say that we are happy for God, He has been so wonderful and blessed us to be here one more

day and keeping us saved from sin. It makes us feel good to know God is on our side, where would we be without his guide. He brought us from a long way and would like to take us a little bit further, but man is beginning to fail God. God will fix it; I heard Deacon Mack say, "If you are not Ready, Be Ready When God Comes, because you will not have time to get Ready, because it will be too late, your soul will be lost."

The Lord blessed us with one of the most humble Pastors you would want to have and he has a lovely family. We love them very much.

Recently we climaxed a two weeks revival. The first week was conducted by Elder Tabb and our Assistant Pastor, Elder Belton; the second week was conducted by Minister McKinney and Yours truly. The Lord really blessed our souls.
